FIL Investment Management (Australia) Limited	<p>Fidelity International provides world class investment solutions and retirement expertise to institutions, individuals and their advisers – to help clients build better futures for themselves and generations to come. As a private company we think generationally and invest for the long term. Helping clients to save for retirement and other long term investing objectives has been at the core of Fidelity’s business for over 50 years.</p> <p>Fidelity invests \$572.7 billion globally on behalf of clients in Asia-Pacific, UK, Europe, South Africa, the Middle East, and South America. Fidelity is responsible for A\$235.5 billion in assets under administration*.</p> <p>Fidelity builds investment funds stock-by-stock through on-the-ground analysis of companies, their customers, suppliers and competitors wherever they may be in the world. Fidelity believes that markets are semi-efficient and share prices don’t always reflect inherent value. Through in-house, bottom-up company research, Fidelity aims to uncover the opportunities which it believes offer the greatest scope for outperformance. Based on this research approach, Fidelity seeks out stocks that it believes are undervalued and likely to generate growth. The companies selected for the portfolio must demonstrate good management, strong competitive advantages and enjoy favourable industry dynamics.</p> <p>* As at 30 June 2023.</p>
