Livewire: Where should you be looking for income

By Perpetual Asset Management
6 March 2026

With the yield on the ASX remaining below 4 per cent for some time, there are concerns around whether the market is in a structurally lower income environment or if it is a lull in the cycle.

In this interview, co-portfolio manager Sean Roger joins Livewire Markets' Chris Conway to discuss the drivers influencing the market right now, where he sees the most reliable income and which sectors are out of favour for now.

Watch the video for the full interview or see more on Livewire Markets.
